

SUPERIOR DURABILITY FOR LONGER LIFE

Clevite® aftermarket replacement heavy duty water pumps are new and assembled in the USA. All water pumps, offered by MAHLE Aftermarket, are warranted to be free of defects, in original materials and workmanship, under normal use and service for a period of one (1) year from date of purchase, 100,000 miles or 3,600 hours, whichever occurs first.

All mounting gaskets and seals are included. Not all interchange numbers are listed, for more information visit catalog.mahle-aftermarket.com.
