MAHLE Appoints Brent Fletcher as Head of North America Aftermarket Regional Sales

- Fletcher will oversee the sales and strategic growth of products for MAHLE Aftermarket
- Fletcher and his team focus on the dialog with customers to position MAHLE as a strong partner for them in the aftermarket business

MAHLE Aftermarket is pleased to announce the appointment of Brent Fletcher as Head of Regional Sales in North America. In this role, Fletcher will oversee the sales and strategic growth of the portfolio of MAHLE Aftermarket solutions which include the CLEVITE and BEHR brands. Utilizing his extensive sales background, Fletcher and his team will work directly with production engine rebuilders, retailers, traditional distributors, shop owners and technicians throughout North America to provide them with access to the premium solutions and training services.

Brent Fletcher Professional Headshot

“We are excited to have Brent join the MAHLE team and look forward to seeing him apply his impressive sales experience and management skills to help grow the MAHLE brand and ensure our products are reaching the right customers and meeting their aftermarket vehicle demands,” said Eduardo Spilla, General Manager, North America Aftermarket at MAHLE Aftermarket. “Brent’s been in this business for a long-time and his wealth of knowledge in his craft will be of great value to our strategy and goal of remaining at the forefront of aftermarket innovation.”

A graduate of the University of North Texas, Fletcher brings over 24-years of experience as an aftermarket sales professional including leadership roles at

Federal-Mogul and Tenneco's DRiV, Inc. division. Fletcher's official start date with MAHLE was Monday, May 13, 2024.

About MAHLE

MAHLE is a leading international development partner and supplier to the automotive industry with customers in both passenger car and commercial vehicle sectors. Founded in 1920, the technology group is working on the climate-neutral mobility of tomorrow, with a focus on the strategic areas of electrification and thermal management as well as further technology fields to reduce CO2 emissions, such as fuel cells or highly efficient combustion engines that also run on hydrogen or synthetic fuels. Today, one in every two vehicles globally is equipped with MAHLE components.

MAHLE generated sales just under EUR 13 billion in 2023. The company is represented with approx. 72,500 employees at 148 production locations and 11 major research and development centers in more than 30 countries. (as of 31.12.2023)

About MAHLE Aftermarket

MAHLE Aftermarket, the business unit specializing in spare parts, uses the expertise from original equipment series production for its product range and supplies partners in the trade, workshops, and engine repair shops. The products developed by the MAHLE Service Solutions business segment for workshop equipment, as well as comprehensive services and individual training offers, round out the offer. MAHLE Aftermarket operates out of more than 30 locations around the world and has additional sales offices with more than 1,900 employees. In 2023, the business unit recorded a sales volume of more than EUR 1.25 billion globally. (as of 31.12.2023)
